Processing

Acoustics &
Audio Processing

Experienced Management Team

Michael Hurlston | President & CEO

Saleel Awsare
SVP & GM,
PC & Peripherals
Division

Dean Butler
Chief Financial
Officer

Alex Chou
SVP & GM,
Wireless
Connectivity
Division

Satish Ganesan
Chief Strategy
Officer

Venkat Kodavati
SVP & GM,
Multimedia
Division

Phil Kumin
SVP, Sales

John McFarland
SVP, General
Counsel &
Secretary

Janice Mori
SVP & GM,
Touch & Display
Division

Divyesh Shah
SVP, Operations

Nicole Singer
SVP, Human
Resources

Sunil Thomas
VP & GM,
Video Interface

History of Innovation

1986
Founded to research neural networks

2002
SYNA IPO, begins trading on NASDAQ

2012
Acquires Video Interface portfolio from IDT

2014
Acquires Renesas RSP, accelerating development of TDDI & display drivers

2017
Acquires Conexant and Marvell Multimedia BU to jumpstart IoT entry

2020
Acquires DisplayLink

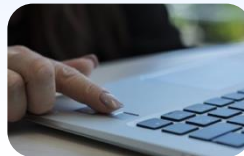

1992
Develops world's first PC touchpad

2007
Touch IC enables world's first capacitive-touchscreen on mobile phone

2013
Enters fingerprint biometrics market with acquisition of Validity

2015
Expands into automotive market with TDDI, touch and display ICs

2020
Acquires Broadcom's Wireless IoT Connectivity

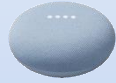

We Are Everywhere

Our Solutions in Flagship Devices

In Summary

A global leader in human to machine interface technologies

Strong portfolio of differentiated technologies

Strong position in large, growing markets

Deep relationships with diverse base of leading OEMs

Strong management team driving significant transformation

THANK YOU
