Corporate Overview

February 2020
Synaptics at a Glance

Highlights

• **Execution:**
  Delivering next generation products and strong design win momentum

• **Corporate Transformation & Investment Areas:**
  Reshaping portfolio towards differentiated products and technologies for long-term higher profitability and growth:
  • Edge computing SoCs with AI for smart home consumer IoT
  • OLED touch ICs and display ICs for mobile devices
  • Audio SoCs for wired and wireless headsets
  • High-speed wired connectivity for PCs, peripherals and VR
  • Automotive TDDI for touchscreens

Products Enabled by Synaptics

About the Company

- **Established** 1986
- **Listed** Nasdaq: SYNA (IPO 2002)
- **Revenue FY19** $1.47B
- **Global Footprint** 20+ Locations Worldwide
  - 1700+ Employees (over 70% Engineering)
- **Patents** 1800+
Market Share Leadership

- Far-Field Voice; Wake Word
- Digital Audio Headset SoCs
- Edge Computing SoCs with AI

- Smartphone OLED Touch IC & Display Driver IC
- Smartphone LCD Touch IC, & Display Driver IC
- Automotive TDDI & Fingerprint Sensors

- PC Touchpad
- PC Fingerprint Sensors
- Video Interface ICs
Synaptics Products are Everywhere

CONSUMER IOT
- Audio processor
- Touch/Display
- Voice processor
- Video processor
- Computer Vision
- Neural Network Accelerator

MOBILE
- Display driver
- Touch controller

AUTOMOTIVE
- Touch controller
- Display driver
- Fingerprint sensor
- Integrated touch & display controller (TDDI)

PC
- Video Interface
- Fingerprint sensor
- Pointing device
- Touchpad
Our Solutions in Flagship Devices

**CONSUMER IOT**
- LG U+ UHD3 Set-Top-Box
- Swisscom Set-Top Box
- Google Nest Wifi & Mini
- Samsung Galaxy Note 10 Earbuds

**MOBILE**
- Huawei Mate 30 Pro
- vivo x30
- LG V50S
- ASUS ROG 2

**AUTO**
- Porsche
- BMW
- Audi
- Land Rover
- Jaguar
- Ford

**PC**
- Dell XPS 2-in-1
- HP Elite Dragonfly
- Lenovo X1 Carbon
Advanced Underlying Technologies

- Capacitive Sensing
- Display Driver and Integrated Sensing
- Video and Image Processing
- Optical Imaging
- Machine Learning
- Far-field Voice and Speech Capture
- Acoustics and Audio Output Processing
# Vast Network of Global Partners
